

COZY CONVERSATIONS

SEPTEMBER 2018

Welcome new friends and returning old friends... We're so happy to have our 2018 season off to a good start. For any new parents here are a few reminders:

Lunch & Snacks – Please check the menu. If you know your child will not eat what we are serving please send in something from home. Remember that we are peanut butter free.

Cold & Flu season – It will be upon us very soon. Please remind your child to wash regularly. If your child is sick, fever of 101 or more and or vomiting, please keep them home.

Please dress your child according to the weather. Due to the heat, the children were inside a lot this summer. We would like to get them out daily during the fall so light jackets should be in each child's cubby.

Extra clothing – Check your child's cubby. Please make sure they have a proper set of clothes and take home all summer items.

We're looking forward to a great season. As always, we are here for you and your children. If you have any issues please be sure to talk or email either Jane or Joanne and we will try our best to help.

NEW STAFF... You have probably noticed a few new faces around! We have recently hired three new people for our staff:

Miss Audra is working with Miss Beth as a kindergarten teacher. She has many years of experience with preschooler's and a degree in Early Childhood Ed. Audra and Beth are off to a great start and we are fortunate to have found a reliable, experienced person to fill Miss Jens position.

Miss Erin has recently started in the baby room. She also has many years' experience with babies and is Lead teacher qualified with her

college background. Erin has jumped right in to Joanne's position and it seems as though all have adjusted very well.

Miss Litsa is a high school student and was recently hired as a part time Aide. She will be working mostly with the School age children but from time to time she may fill in elsewhere. We welcome all of them and are hopeful for a lasting relationship.
