JUNE 2019

ANOTHER SCHOOL YEAR COMES TO END...

which means it's time to say good bye to familiar little faces! We have so many wonderful families that are now moving on. We have seen their little ones start as infants and leave as school kids. We will miss each one and look back on many fond memories of their happy faces! Thank you to each and every family for all of your support over the years.

NEW STAFF UPDATE...

We've had another staff change. Miss Ashley's last day was May 30. She felt it was time for a change and wanted to try a nanny position for a while. We wish her all the best in any new job she takes on. We have been fortunate enough to find two new staff people who we feel their experience and enthusiasm will benefit us. Miss Sarah recently started in the 2's and she will be floating for a while then in the 3's as of June 17. Miss Briana will be starting in the 1's on June 17. Both teachers are coming from other centers and have a lot of experience with younger children.

LADDER OF ACHIEVEMENT:

2's: All of our older friends who are moving up are now using cups without lids!
3's: We have had a fun and busy month getting to know our new teachers, practicing writing our names and getting super excited to move up to the 4's:
4's: Our group is very excited to be graduating and heading upstairs for kindergarten!
5's: The kindergarten class has been working really hard on finishing up this year and they are so excited for graduation!
