NOVEMBER 2020

COVID - 19 UPDATE & GUIDELINES

- We will continue to take children's temperatures as they enter. Staff and parents are asked to wear masks when inside the building.
- If your child has a fever of 100 or higher, or any other major Covid symptom, they will have to be out of school for 72 hours. If the fever is persistent, they will need a negative Covid test and a doctor's note to return to school
- Any siblings will also need to be kept home. This will cut down on possible cross contamination.
- We will be asking for doctor's notes more this cold/flu/Covid season so make sure that children are being seen and taking all of the possible precautions to prevent the spread of Covid in the center.
- If a parent or anyone in direct contact with the child has tested positive your child will need to stay out of childcare for 14 days, or longer depending on possible symptoms.

★ Please keep in mind that there are many unknowns in the world with Covid right now and we are tracking updated guidelines continuously. At any time, any of these guidelines could change depending on local government and state regulations. Please be mindful that we have no control over Covid, and our #1 concern is keeping all of our staff and your children as safe as we possibly can.

★ If and when we do have a positive case of Covid, parents will be notified immediately. We will try our best to isolate the affected group and avoid a center closure.

★ Thank you for your understanding!

Christmas Concerts – With this year's circumstances we feel we can still have our concert and do it safely. For now we have decided to allow our 3's, 4's & 5's to have small concerts in their rooms. 3's will be held on Dec. 14th, 4's Dec. 15th, and 5's Dec. 16th at 3:00 pm each. We ask that ONLY parents attend. We will also try to broadcast it via zoom so other family members can see the show. More information will come next month.

Santa-Claus is coming to town... He arrives on Wed. Dec. 23 at 9:30 for his annual visit! Please be sure to send in a wrapped and labelled small gift for Santa to give to your child! To allow for safe distancing and safety precautions he will be wearing his mask and handing each child their gift.
