### COVID REMINDERS:

We will now require a 5-day quarantine plan for only children in the kindergarten or After School group. A child who tests positive will quarantine for 5 days and return with a mask for 5 days. Children younger than 5 will still adhere to our 10-day quarantine policy.

#### \*\*\*SLIGHT CHANGE\*\*\*

If a household member has tested positive, your child must remain home and test after an incubation period of 6-7 days.

If your child has traveled out of state and becomes sick with Covid symptoms we will require testing before returning.

### Non-Covid illnesses:

If your child is sent home with a fever, we will allow them to return if they are fever-free for 24 hours without medication. We will determine if a sibling needs to go home on a case-by-case basis depending on the severity of symptoms and/or illness.

Diarrhea – If your child has three loose stools, we will call you to have your child dismissed. They may return after 24 hours without any loose stools.

Conjunctivitis – If we notice any signs of conjunctivitis, we will call you to dismiss your child. He or she can return once they are on prescribed medication for 24 hours.

## HELP WANTED

4’s could use small Lego sets and fall stickers for the class!

1’s needs a family picture to put on our board for family week!

Please clean out your child’s cubby and add in any appropriate fall clothing.

If your child rides on either bus (Moose Hill or North) or the van, please remind them of bus safety!

We ask that each child stays seated, hands/feet stay to themselves, quiet voices, and seat belts always need to be properly buckled.

HEALTH FORMS ARE REQUIRED TO BE UPDATED YEARLY BY THE STATE. Please ask your pediatrician for an updated form and immunization record at each physical.
