### KIDS SAY THE FUNNIEST THINGS:

Infants: Noelle waves & shakes her head 'no!  
Calliope gets so excited when her grandmother comes to pick her up!

1's: Isabelle & Kinsley like to hold hands and giggle when they are in their highchairs together!

2's: Caiden slid a veggie straw across the table to Miss Erin and said, "That one is for you, Miss Erin!"

3's: Miss Heather was reading the book, "Spooky Express NH" and Bennett said, "Hey, I visited New Hampshire before!"

While working on a gluing project, Wesley said, "Miss Carsen, I promise I will not try to eat this glue stick for lunch today!"

4's: Ellie A: "Kaitlyn, where have you been? It's been so long since you came to my house yesterday!"

Jaxon C: "Miss Ana, I'm very smart now in the 4 year old class!"

Rose: "Miss Ana, my dad is a cheerleader now. That's his job!!!"

Rose: "Miss Ana. Let me show you my 1,2,3 cheer. Wait, I'm so tired. I have to go play now!"

### CALENDAR OF EVENTS

WED. NOV. 22 – THANKSGIVING FEASTS.  
PLEASE SEE EACH ROOM FOR THE SIGN-UP SHEET.

### NEW STAFF...

We recently hired Miss Nivi as a full-time floater. She has a couple of years of experience and some caregiver experience. If you haven't already, please introduce yourself the next time you see her! She has jumped right into her new position, and she seems to be adjusting well!

## LADDER OF ACHIEVEMENT:

Infants: Mason and Colson are crawling. Noelle can pull herself up. Elena is always smiling and cooing, and Calvin has taken some steps!

1's: When we sing our A-B-C's, Kinsley & Griffin start to say some of the letters!

During circle time, Miss Michelle sings the 'jumping song'. All of the kids love to jump around and dance as she sings out each of their names!

2's: Nolan has graduated to big boy underwear and is doing amazing on the potty!

Many of our friends are showing interest in the potty and trying to go!

3's: Many of our friends can now recognize many letters! We are all working very hard on our pencil-holding skills.

4's: We are all doing good with our first and last names on our worksheets!

Our coloring and cutting skills look fabulous!

5's: Our class is doing so well with their beginning letter sounds. Later this month we will introduce them to blends! They are also doing great with their math skills and addition!

## COVID REMINDERS:

We will now require a 5-day quarantine plan for only children in the kindergarten or After School group. A child who tests positive will quarantine for 5 days and return with a mask for 5 days. Children younger than 5 will still adhere to our 10-day quarantine policy.

\*\*\*SLIGHT CHANGE\*\*\*

If a household member has tested positive, your child must remain home and test after an incubation period of 6-7 days.

If your child has traveled out of state and becomes sick with Covid symptoms we will require testing before returning.

### Non-Covid illnesses:

If your child is sent home with a fever, we will allow them to return if they are fever-free for 24 hours without medication. We will determine if a sibling needs to go home on a case-by-case basis depending on the severity of symptoms and/or illness.

Diarrhea – If your child has three loose stools, we will call you to have your child dismissed. They may return after 24 hours without any loose stools.

Conjunctivitis – If we notice any signs of conjunctivitis, we will call you to dismiss your child. He or she can return once they are on prescribed medication for 24 hours.
