COVID UPDATE:

We are happy to inform you that we will adhere to the latest CDC guidelines.

The latest updates suggest we no longer need to isolate for five days. Recommendations include staying away from others when you have symptoms and a fever, only to return once you feel better and fever-free.

If your child is sent home with a fever, we will allow them to return if they are fever-free for 24 hours without medication. We will determine if a sibling needs to go home on a case-by-case basis, depending on the severity of symptoms and/or illness.

Diarrhea – If your child has three loose stools, we will call you to have your child dismissed. They may return after 24 hours without any loose stools. Conjunctivitis—If we notice any signs of conjunctivitis, we will call you to dismiss your child. He or she can return once he or she has been on the prescribed medication for 24 hours.

MOVE-UP DAY IS APPROACHING....

Monday, June 17, is our move-up day. Many kids will be moving into their new rooms, so it will surely be an exciting day!

If your child is moving up that day, please be sure to clean their current cubby. Some of the 4-year-olds will stay in their current room for the summer and move upstairs in late August.

We wish many friends moving on to new schools a happy farewell. It has been a great year full of
